

# ICPA Kidz Kamp

Kidz Kamp was started to help families enjoy the ICPA Annual Conference together. Our volunteers will entertain your children with a variety of activities while you attend sessions worry free. At the end of the conference day your children will be waiting to spend a family filled evening with you. ICPA is pleased to offer this service for only the cost of the activities, lunch and snacks.

For a list of planned activities and cost for this year's Annual Conference visit [www.icpainc.org](http://www.icpainc.org)

*Learn, network with peers and spend time with your family. What more could you ask for?*

***We would love to care for you kids at our next annual event!***
