A New World Order in Global Trade?

We are pleased to invite you to our inaugural Global Trade Conference in Bellevue, WA. The conference will be held on Thursday, May 25 at The Bellevue Club.

Our international trade compliance lawyers from around the world will review the major trade developments impacting international trade, including President Trump's trade regulation and policy agenda, Brexit, export controls and trade sanctions as well as specific developments in Russia and Brazil. The full agenda for the program is below.

This event is complimentary, but registration is required. If you or a colleague would like to attend please register by no later than Thursday, May 11, 2017.

We look forward to your participation!

Speakers

Paul Burns

Canada | +1 416 865 6912 | Paul.Burns@bakermckenzie.com

Paul, a partner in the Toronto office, advises clients on all aspects of international trade and commodity tax, including significant experience advising on Canadian customs and export control matters. He has assisted multinational corporations on a multitude of trade matters, including valuation, tariff classification, rules of origin, marking, remissions and drawbacks; anti-dumping and subsidies; export and import controls; trade sanctions; blocking measures; the Controlled Goods Program; free trade agreements, including the North American Free Trade Agreement (NAFTA); and Goods and Services Tax/Harmonized Sales Tax

Alexander Bychkov

Russia | +7 495 7872715 | Alexander.Bychkov@bakermckenzie.com

Alexander, a partner in the Moscow office, is the co-Head of the Firm's CIS Tax practice and the Head of the CIS Trade & Commerce practice, which includes professionals working in the Moscow, St. Petersburg, Kyiv, Almaty and Baku offices. He advises local and multinational clients on tax, customs, currency, and general cross-border trade matters, with a particular emphasis on Russian direct and indirect tax advice, distribution structuring, customs regulatory matters, product valuation and classification, international trade compliance, import and export control requirements, WTO and anti-dumping issues, Russian, EU and US sanctions and tax/customs dispute resolution (including representation of clients in related criminal investigations).

Teresa Gleason

USA | +1 202 452 7030 | Teresa.Gleason@bakermckenzie.com

Terrie is a partner in the Washington, DC office. Her practice focuses on the area of international trade and she advises clients on a wide range of customs/import regulatory issues involved in the global movement of goods. She assists US and foreign clients in all aspects of US Customs law, including classification and valuation, country of origin, compliance audits (Focused Assessments, Quick Response Audits), NAFTA and other free trade agreements compliance, as well as penalty and other enforcement actions, prior disclosures and related matters.

Adriana Ibarra-Fernandez

Mexico | +52 55 5279 2947 | Adriana.Ibarra-Fernandez@bakermckenzie.com

Adriana is a partner and coordinator of the International Commercial & Trade Practice Group in Baker McKenzie's Mexico City office; she is also Co-Chair of the firm's Pacific Alliance Taskforce. Her practice focuses on customs matters, rules of origin, verifications of origin and related subjects in terms of the FTAs to which Mexico is a party, tariff classification, customs valuation, maquila (IMMEX), and other programs for the promotion of imports and exports, as well as non-tariff import regulations.

Eugene Lim

Singapore | +65 6434 2633 | Eugene.Lim@bakermckenzie.com

Eugene is a partner in the Singapore office, is the head of the Tax and Wealth Management practice in Singapore and the head of the Firm's Asia Pacific Trade & Commerce Practice. He has extensive experience relating to the structuring of supply chain and distribution strategies in the Asia Pacific region. His practice focuses on international trade, international tax planning, tax controversies, indirect tax, customs and excise, export controls, trade sanctions matters in Singapore, China and the Asia Pacific region. He also covers trade law developments in the WTO, APEC, ASEAN and under the various free trade agreements in the Asia Pacific region.

Alessandra Machado

Brazil | + 55 11 3048 6812 | Alessandra.Machado@trenchrossi.com

Alessandra is a partner in the Tax Practice Group of Trench, Rossi e Watanabe, with which Baker McKenzie has a strategic cooperation agreement. Alessandra advises clients on matters relating to international trade and tax law, including customs valuation, tariff classification, drawback and other customs regimes, export and import controls, as well as foreign trade agreements.

John McKenzie

USA | +1 415 576 3033 | John.McKenzie@bakermckenzie.com

John is a partner in the San Francisco office, advising on cross-border transactions and international trade regulation. His global practice covers the planning and structuring international investments, international mergers, acquisitions, consolidation and reorganization transactions, international commercial and technology development and transfer transactions, as well as customs and import regulations, export controls and international corporate compliance.

Jennifer Revis

UK | +44 20 7919 1381 | Jenny.Revis@bakermckenzie.com

Jennifer, of counsel in the London office, focuses her practice on the public regulation of international trade, particularly in a wide range of compliance issues such as customs, trade sanctions, anti-bribery and corruption. She advises clients on import and export matters, including customs valuation, rules of origin, classification, export controls and trade sanctions.

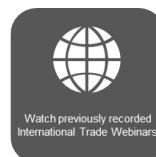

Alison Stafford Powell

USA | +1 650 856 5531 | Alison.Stafford-Powell@bakermckenzie.com

Alison is a partner in the Palo Alto office, counseling companies on cross-border trade compliance, including export controls, trade and financial sanctions, anti-corruption and anti-money laundering rules, US anti-boycott laws, and US foreign investment restrictions under the Exon-Florio Provision. She advises on compliance planning, trade-related due diligence in the context of mergers and acquisitions and other cross-border activities, enforcement actions, voluntary disclosures, internal investigations and audits, licensing, regulatory interpretations and risk assessments.

Baker McKenzie's International Trade, Compliance and Customs Group provides multinational companies coordinated, practical, and solution-oriented international trade representation and advice. With more than 200 highly qualified international trade lawyers around the globe focused on imports, export controls, trade sanctions, anticorruption and trade remedies, we help clients to maximize opportunities and manage compliance risks in cross-border business transactions.
