This online certificate program covers both trade practice and trade finance in order to provide a comprehensive coverage of trade for trade finance professionals. This program is ideal for anyone seeking to prepare themselves for either CITF or CDCS / CSDG exams from Londo Institute of Banking and Finance or any trade finance qualification. It is an ideal on-boarding tool for professionals entering the Trade Finance department of banks or corporates!

Detailed Prospectus can be downloaded here: <https://www.dropbox.com/s/7pmww0gsa7v2p3i/eBSI%20TTFP%20Prospectus%202017.pdf>

#### **Try us out before you enroll!**

We have a free Certificate course 'Introduction to International Trade & eBusiness' which shows you 4 courses and gives you a good overview of how our courses work. If you like that free course its likely you will be even happier with the full paid courses!

To enrol for that free course please visit <http://www.exportnow.info>.

You could easily complete this demo course in a few hours or over a weekend if you like.

#### **Extra Perks & Benefits**

All courses are 100% online and are issued with certificates from eBSI upon successful completion. We give 2 years access to our course and lifetime access to our learning community where you can network and continue to discuss practical issues relating to your work with fellow graduates. All students also get 1 year access to Webportglobal.com the professional networking site for international trade professionals established for the World Trade Centers Association.

#### **100% Satisfaction Guaranteed**

If for any reason you are unhappy with the course you can request a full refund within 60 days or transfer a course to another member of staff without any issue as long as less than half of the coursework had been completed at the time of transfer or refund.

Sincerely,

*Thomas Smith*
