

CHANGE RECORD—DRAFT for Preliminary Edition

This change record sets forth all changes to the HTSA which have become effective since January 1, 2016, *other than* previously proclaimed reductions in staged rates of duty which take effect on January 1, 2017, and nonsubstantive adjustments to the format of any page. See the Preface to the tariff schedule for additional information and citations for the Presidential Proclamations referenced herein.

Notes: for purposes of this record, the terms “added” and “deleted” refer to the insertion or removal of 8-digit (legal) tariff rate lines; the terms “established” or “discontinued” refer to the insertion or removal of 10-digit (nonlegal) statistical reporting numbers. This change record will be reposted after December 30, 2016, when additions and corrections are made.
