Dedicated to promoting free and fair trade

CONNECT Presents: A Classification Seminar for Chemicals and Drugs

This comprehensive full-day seminar will provide guidance on classifying inorganic and organic chemical classifications in the U.S. Harmonized Tariff Schedule (HTS) Chapters 28, 29 and drugs in Chapter 30

Topics include:

- Mixtures, classifying drugs and placebos
- Definitions of chemistry terms necessary for classification
- Chemical and Pharmaceutical Appendices

This event has been approved by NCBFAA for 6.5 CCS points.

Who Should Attend?

Import and Export Managers and others in the trade community without a chemistry background, and chemists learning to classify should not miss this seminar!

Seminar Speaker:

Andrea "Andy" Abraham, Attorney-at-Law at Meeks, Sheppard Leo & Pillsbury

Andy and her firm specialize in import, export and international trade law. Ms. Abraham has presented this material to many Fortune 100 companies and trade associations and is the author of two well-recognized books on the subjects: "**Chemical Customs Classifications Manual**" and "**Polymers and Rubbers Classifications Manual**" <http://mscustoms.com/index.php/books/>.
