Summary

KPMG International cordially invites you to join us for a training webinar focused on the First Sale for Export Principle as it relates to shipments entered into the commerce of the United States. KPMG will also address vendor issues/concerns, leading practices and benefits of automating processes as it relates to the First Sale for Export Principle

Many importers and vendors manage a first sale implementation or testing project via excel spreadsheets and countless email correspondences. This approach decreases efficiency and makes it difficult to maintain organization and clearly benchmark progress; often resulting in a major compliance challenge during a government audit. In this session, KPMG will discuss leading first sale practices by vendors and importers with
