

CERTIFICATION PROGRAM

Export Controls Specialist™ (EXCST™)

Tysons Corner, VA | March 14 - 16, 2016

Amber Road's Global Trade Academy is proud to offer the Export Controls Specialist™ (EXCST™) an industry leading certification program that will turn you into a **Master of Export Controls**

Participants of the EXCST™ program will be proficient in both Department of Commerce and State Department's export regulations, including:

- ITAR (International Traffic in Arms Regulations - 22 C.F.R. 120 - 130)
- EAR (Export Administration Regulations - 15 C.F.R. 730-774)

The Export Controls Specialist™ certification three-day program will deal with all aspects of the U.S. export control process. With heavy reliance on case studies and practical in-class examples, participants will gain new skills, or hone existing skills enabling them to present themselves as a certified professional for an in-demand trade specialty.
