

What are the responsibilities of the U.S. Principal Party in Interest (USPPI) in a routed export transaction? (§ 30.3)(e)(1)

- Provide the U.S. agent with statistical information, including U.S. Principal Party in Interest name and address, Employer Identification Number (EIN), state of origin Schedule B number, quantity/unit of measure, description of commodity, origin of goods, value, and any license information to assist in preparing the Electronic Export Information. See [§30.3\(e\)\(1\)](#)
- Retain documentation to support the information provided to the agent for preparing the EEI as specified in section 30.10 of the Foreign Trade Regulations.

Note: In a routed export transaction, the U.S. Principal Party in Interest (USPPI) is not required to provide the U.S. agent of the Foreign Principal Party in Interest (FPPI) with a power of attorney or written authorization. The FPPI is responsible for providing a power of attorney **or** written authorization to the U.S. agent.

What are the responsibilities of the authorized agent of the Foreign Principal Party in Interest (FPPI) in a routed export transaction? (30.3)(e)(2)

- Obtain a power of attorney **or** written authorization from the Foreign Principal Party In Interest (FPPI).
- Prepare and file the Electronic Export Information (EEI) based on information obtained from the U.S. Principal Party in Interest (USPPI) or other parties involved in the transaction.
- Upon request, provide the USPPI with a copy of the power of attorney or written authorization from the FPPI.
- Retain documentation to support the EEI reported through the AES.
- Upon request, provide the USPPI with the export information that was provided by the USPPI and filed in AES.
- EEI information reported through AES may not be shared with anyone outside the U.S., including the FPPI based on current law.

Note: See [§30.3\(e\)\(2\)](#)
