

APPENDIX X – HTS/Schedule B Classifications Requiring Used Electronics Indicator Reporting

HTS/Schedule B classifications deemed ‘used electronics’

All HTS/Schedule B classifications on this list will require the completion of the “used electronics indicator” to identify whether or not the item is deemed a used electronic. Used electronics are defined in Section 30.1(c) of the Foreign Trade Regulations as: “Various electronic equipment, products and associated accessories including consumer electronics and Information Technology equipment that are no longer in new packaging and have been given away or sold to be recycled, resold, reused, refurbished, repaired or disposed.”

See 15 CFR Part 30 – Foreign Trade Regulations – Used Electronics Indicator
