We will host four day-long sessions in Phoenix, AZ on the following mission-critical topics for global trade

Experience the advantages and benefits of attending
a Global Training Center seminar.

International Logistics

MAR 17, 2015

8:30AM - 4:00PM

Take the fear out of international shipping. Learn to control your international shipments by directly coordinating your documents with transportation rules and procedures. Registration includes a copy of "Managing Your Forwarders, Brokers & Carriers in Your International Supply Chain".

Export Regulations and Procedures

MAR 18, 2015

8:30AM - 4:00PM

An in-depth understanding of export procedures combined with a study of the appropriate documentation will give you a valuable advantage in making your international trade business a success. Class reviews the many components that make up the exporting process. Learn how to correctly prepare your Export Documents. Registration includes a copy of "Exporting: Regulations, Documentation & Procedures" reference book.

Tariff Classification

MAR 19, 2015

8:30AM - 4:00PM

This class is for Importers, Exporters & FTA determination. The classification and valuation of goods are major decisions! This is critical information not only for duty purposes, but also to determine whether goods are subject to quotas, restraints, embargoes or other restrictions. Registration includes a copy of the "Doing Your Duty- Product Classification According to the HTSUS" reference book.

NAFTA Rules of Origin

MAR 20, 2015

8:30AM - 4:00PM

Are you claiming NAFTA? Learn whether or not your product should be shipped under the NAFTA Rules. Learn the rules to qualify and classify your goods under the NAFTA Agreement and review in detail the NAFTA Certificate of Origin Document. This seminar prepares a company for shipping into Mexico and Canada under the NAFTA rules. Registration includes a copy of the "NAFTA - A Practical Guide to Regulation Documentation & Procedures" reference book.

Speaker:

Catherine J. Petersen

Mrs. Petersen has designed export documentation and procedure manuals for firms of all sizes, including several Fortune 500 companies. She has authored or co-authored five highly regarded books used by businesses, technical institutes and universities.
