

**Free, Educational Webcast:**

**IMMEX Certification Scheme –**

**Automatic Renewal and compliance measurement**

**Wednesday, August 17th, 2016 at 11:30 a.m. CDT / 12:30 p.m. EDT**

**Presented by Integration Point & Competitive Industrial Center**

**Presented in Spanish**

It has been several months since the Mexican government implemented structural reforms that affect the operation of IMMEX companies. Even today some companies still have questions about the certification process and whether they are in 100% compliance with the requirements. Does your company know about the automatic renewal and measuring compliance with the certification scheme available to companies operating within Maquiladoras?

We invite you to register for this free webcast presented by Integration Point and Competitive Industrial Center, on Wednesday August 17, 2016, at 11:30 am Central Time Mexico. During this webcast, Flor Torres, Customs Law & Legal Services Partner, from Competitive Industrial Center, will discuss both the practical aspects for renewal in the register of certification scheme, as well as how to maintain compliance with the continuing obligations while preventing the suspension or cancellation of Certification on VAT and IEPS.

During the webinar will discuss the following regarding the IMMEX Certification Scheme:

- Automatic renewal
- Control of permanent obligations
- Monitoring SCCCyG
- Requirements of AGACE
- Control and best practices to implement
