On Tuesday, February 10, 2015 at 12:00 pm Eastern, our Crowell & Moring team will discuss predictions for the coming year.

Topics will include likely trends and issues in the US and EU on:

- Export controls
- Sanctions
- Anti-money laundering
- Import litigation
- Anticorruption (FCPA)
- Free trade agreements (TTIP/TPP)

Presenters include members of our international trade team based in Washington, D.C. and Brussels and we hope you can join us for this webinar.
