

# UPCOMING WEBINAR

## Key Takeaways from BIS Update and CBP Trade Symposium

NOVEMBER 10, 2015  
2:00PM EDT

The Bureau of Industry and Security (BIS) is hosting its 28th annual Update Conference on Export Controls and Policy in Washington, D.C. from November 2-4. Around the same time, CBP is hosting its annual Trade Symposium in Baltimore, MD on November 4-5.

With these events being back-to-back, we understand that not everyone will be able to attend. This is why Amber Road's Global Trade Academy is sending faculty to both events! They'll be taking notes during all of the sessions, and we will share highlights from both conferences during our upcoming webinar. During this webinar, Suzanne Richer, Director of Amber Road's Trade Advisory Practice, will discuss:

- Key takeaways from both the BIS Conference and CBP Trade Symposium
- Policy updates from both events

Join us for this in-depth session to hear firsthand details from the BIS Conference and CBP Trade Symposium, and how they could impact your organization!
