

ICPA

Kidz Kamp

Kidz Kamp was started to help families enjoy the ICPA Annual Conference together. Our volunteers will entertain your children with a variety of activities while you attend sessions worry free. At the end of the conference day your children will be waiting to spend a family filled evening with you. ICPA is pleased to offer this service for only the cost of the activities, lunch and snacks.

For a list of planned activities and cost for this year's Annual Conference visit www.icpainc.org

Learn, network with peers and spend time with your family. What more could you ask for?

We would love to care for you kids at our next annual event!
