Yennise Sandez

Speaker

Steven Zisser

Yennise is a licensed Customs broker and Steve is an international trade attorney. They are experts in helping companies leverage ACE and they'll share their latest and best ACE strategies.

Are you ready to

- Get real-time information?
- Obtain accurate and reliable data?
- Support trade compliance through data monitoring, data accuracy, and cost saving opportunities?
- Support other company departments for strategic planning, forecasting, and budget purposes?

The Solution:

As a free service, you and your company now have complete, real-time on-demand visibility into all your import/export trade data. Through the new ACE Secure Data Portal all importers and exporters can quickly and easily view and organize all their trade information.

Topics Covered:

Learn from the experts at Masters Method University on how to leverage this new tool. We will show you how to break down the new ACE Secure Data portal into simple and easy to understand steps. We will walk you through the entire ACE process, including:

- **The 10 key ways to leverage an ACE account** and why every importers and exporter should have one
- **How to apply, setup, and maintain your ACE account**
- **The top 11 ACE Trade Data Reports** for importers and exporters, including how to run them and how to strategically use them **including the Masters Method ACE Reporting Tool**
- **BONUS: Knowledge is POWER!** How ACE can help you deliver real value beyond compliance to other company departments. Including, finance, legal, logistics, and purchasing
