Why Attend the NAFTZ Annual Conference and Exposition?

- **Education:** Specialized tracks for Grantees, Operator/Users, and Fundamentals maximize the time spent by attendees on subjects relevant to their position and daily activities. Participants can receive up to 19 CCS/CES credit and 22 CPE credits for attending the conference.
- **Networking:** The NAFTZ Annual Conference is the largest FTZ-related event in the United States. Our receptions, round table discussions, and exhibit hall are the ideal place to expand your network of contacts within the FTZ community. Past Annual Conferences featured an audience of over 400 FTZ professionals. NEW this year, we are featuring this special theme park event – [click here for more info.](#)
- **Current Information:** We ensure that our attendees receive the latest updates by bringing together key decision makers from U.S. Customs and Border Protection, the U.S. Foreign-Trade Zones Board, and other Participating Government Agencies, as well as top practitioners from the private sector and prominent FTZ grantees.
