Why Attend the NAFTAZ Annual Conference and Exposition?

- **Education:** Being on the cusp of major changes in ACE & In-Bond, this is a conference you can't miss. Specialized tracks for Grantees, Operator/Users, Petroleum Industry, and Fundamentals maximize the time spent by attendees on subjects relevant to their position and daily activities. Participants can receive up to 20 CCS/CES credit and 22 CPE credits for attending the conference.
- **Networking:** The NAFTAZ Annual Conference is the largest FTZ-related event in the United States. Our receptions, round table discussions, and exhibit hall are the ideal place to expand your network of contacts within the FTZ community. At the 2014 Annual Conference, exhibitors had an audience of over 440 FTZ professionals.
- **Current Information:** We ensure that our attendees receive the latest updates by bringing together key decision makers from U.S. Customs and Border Protection, the U.S. Foreign-Trade Zones Board, and other Participating Government Agencies, as well as top practitioners from the private sector and prominent FTZ grantees.
