

Total Supply Chain Risk Management Webinar Series Part 1: Product Testing

Wednesday May 27, 2015
2:00PM - 3:00PM EDT

HOSTED BY

Amber Road
POWERING GLOBAL TRADE®

Please join Amber Road for a four-part webinar series on *Total Supply Chain Risk Management*, which will encompass **Product Testing**, Social Compliance, Cargo Security and Trade Compliance.

The first part in this webinar series will explore Product Testing. Viewers will learn how to ensure compliance with stringent regulatory requirements for testing, supply chain accountability, traceability and record-keeping, and the standards defined for product safety and quality that reflect the integrity of their brand.

Join us to learn how you can effectively manage
and reduce risk in your global supply chain!
