2017 Global Trade and Supply Chain Webinar Series

We are very pleased to announce our 14th annual, **Global Trade and Supply Chain Webinar Series** entitled, "**2017: Beginning of a New Era in Global Trade and Business?**". The series will include the latest international trade developments including the impact of the Trump presidency on trade policy and of Brexit. In addition to our usual topics of Customs, export controls/sanctions and FCPA/anti-bribery, we will also cover data privacy and intellectual property in the supply chain.

This year, we are very excited to expand our usual program to launch our **Customs Academy**, which will feature 6 "Customs 101" webinars (**highlighted in green**). The Customs 101 program will be primarily aimed at participants who are new to Customs and/or those who would like a refresher and will include introductory sessions on key Customs topics such as tariff classification, valuation and origin; and an overview of Customs in some key jurisdictions.

Terrie Gleason, a partner in our Washington, DC office and Head of the Firm's Global Customs Focus Group, and **Jenny Revis**, Of Counsel in the London office, will moderate these webinars and be joined by experts from across our global network.

All webinars will begin at 11:00 AM Eastern (US) and are scheduled to run approximately 90 minutes. If you reside in a different time zone and wish to verify your time - please click on the following link: www.timeanddate.com.
