

2016 C-TPAT COMPLIANCE TRAINING FOR CERTIFIED COMPANIES

Do you need to train a new employee taking on the role as the C-TPAT Coordinator or Point of Contact (POC)?

Does your company have an upcoming domestic or foreign C-TPAT Validation?

Do you need an in-depth training that covers everything you need to know to comply with all of the requirements of C-TPAT?

A 2 hour or half-day training/webinar will not cover everything you need to know.

This 2-day in-depth and interactive training is designed to guide C-TPAT Certified companies step by step on how to continue to be certified in the U.S. Customs-Trade Partnership Against Terrorism (C-TPAT) program.

Attendees will learn about the C-TPAT program, updates, the benefits given to companies, the requirements, how to conduct a global supply chain security risk assessment, how to develop a Risk Assessment Report, how to develop the responses to each section of the Security Profile, what to file and how to file all of the necessary information & documentation with U.S. Customs and Border Protection (CBP).

No other training provides such a detailed review of C-TPAT, tools and guidance.

Program Overview

Introduction to C-TPAT

Supply Chain Security Initiatives Around the World & Mutual Recognition Agreements (MRAs)

C-TPAT Security Criteria

- Examine each section of the C-TPAT Security Criteria
- Learn how to develop responses for each of the 60+ sections of the Security Profile

Portal 2.0

OUR COMPANY

Supply Chain Security International, Inc. "SCSI" is the leader when it comes to providing the best in class assistance to companies in complying with the requirements of C-TPAT.

Five more good reasons why you will want to attend this 2 day training...

1. Our subject matter experts are the best...period. We choose only professionals who have a proven track record of training effectiveness, professionalism and expertise. And what's more, they're exciting communicators who'll provide you real-time information.
2. We give you only the most important information. There is a lot of misinformation out there that could take you on the wrong and delayed path to compliance. In two fast-paced days, we will give you what we believe is the best, most critical material.
3. Practicality is emphasized. You will leave this training with specifics you can apply immediately. And you won't go back to your company empty-handed. You'll leave this workshop with a Certificate of Attendance, tons of information and material.
4. The value is unbeatable.
5. Our guarantee is straightforward and the very best in the industry. How can we be so confident? Because we have been working hard to make the workshop as comprehensive as possible.

Cancellations and Substitutions

Full payment will only be refunded if a cancellation notice is received at least 30 days prior to the start date of the course. You may transfer your registration to another course, as long as this request is received at least 15 days prior to the course start date. In the event that SCSI must cancel a course, liability, is limited to the course fee. In such circumstances, the customer has the option of a full refund or transfer to an alternative available course.

Payment

Payment for public courses is due upon registration. You may pay by credit card (VISA, MasterCard or American Express) or by check (payable to Supply Chain Security International). Course registration is not official until full payment is received.

Travel Arrangements

Lodging and travel costs are not included in the course fee. Individuals attending a course must make their own accommodations and travel arrangements.
