

Understanding Trade Compliance Training Needs Survey

It takes years to develop global trade professionals, and talent is in very short supply. Organizations are constantly searching for ways to develop in-house talent. Are your trade professionals adequately trained?

- Please take a few minutes to complete our [survey](#). Our goal is to provide your organization with some thought provoking questions, such as:
- Does your company have a stated trade compliance plan?
- Do you have on-going trade compliance training for your employees?
- Is your trade compliance training standardized across your entire organization?
