**MERIT** | TRADE CONSULTING  
SERVICES, LLC

## **MTC'S TRANSPORTATION SEMINAR IS BACK!**

Whether your company is new to the idea of either importing, exporting or both, or is already an experienced importer or exporter, training is a critical component of any company's successful import or export program.

Join us for the MTC Transportation Day where you and your staff can learn about Incoterms 2010 and about the basics of importing and exporting cargo to/from the United States including SOLAS and ZIKA virus updates.

## MEET THE TRAINERS

Merit Tremper is a U.S. Licensed Customs Broker with the additional designation of C.C.S. (Certified Customs Specialist), she has worked in the trade industry for over 30 years.

In the course of her career, Merit has extensive experience in import, export and domestic supply chain operations, regulatory compliance, training, program development and implementation.

Her mission in the trade community is to assist Importers and Exporters by educating them about current and future regulations and programs issued by Government Agencies, and the practical application of business processes to achieve compliance in their International and Domestic trade activities.

Matilda holds the designation of a Certified Export Specialist (C.E.S.) through the NCBFAA, where she has volunteered her time as a member of the Export Compliance Sub-committee, NVOCC CESAC Committee, SOLAS CESAC sub-committee and the NEI CES Sub-committee group. Matilda has over 20 year's experience in international transportation, a strong expertise in export compliance,

C-TPAT, the Transportation Security Administration and is a certified hazardous materials trainer.
