Job Description / Responsibilities / Requirements

Must be a licensed customs broker. College degree a plus. We need a full-time customs broker on-site in Ohio. This job cannot be done remotely; you must be on-site 45 plus hours per week.

This client has been in the automotive industry for almost 100 years. It is part of a company that is the world's leading manufacturer of its type of automotive parts. The company has almost 100 locations in almost 30 countries in the world. The Import Department is a new department that was created in December 2013. We have finished phase one: completing the classification database of 50,000 parts, and are currently developing, writing, and starting to implement their Customs Policies and Procedures Manual, the Broker Standard Operating Procedures, the Supplier Instructions, and some Desktop Procedures. The new broker(s) will keep the classification database up to date, implement the Customs Policies and Procedures Manual, the Broker Standard Operating Procedures, the Supplier Instructions, and write and implement the remaining Desktop Procedures. They will also audit entries and file prior disclosures, if necessary, and otherwise get the importer ready for the filing of the ISA (Importer Self-Assessment) Application.
