

<b>Position</b>	Supply Chain Security Manager
<b>Location</b>	Pawtucket, RI

### **General Description**

The Supply Chain Security Manager position will oversee the successful management of global supply chain security program, to include compliance to C-TPAT, AEO and related supply chain security requirements. This position will report to the Director Security Compliance and will ensure that industry best practices are implemented in conjunction with established Hasbro supply chain security standards.

### **Responsibilities**

**Management of supply chain security program - Manage Hasbro's supply chain security program to ensure on-going compliance to supply chain security requirements as set forth by Hasbro, U.S. Customs and other foreign Customs agencies.**

- Develop and update supply chain security standards, audit criteria and guidance material as needed.
- Prepare and execute global SCS audit plan and ensure SCS audits and supplier self-assessments are conducted per compliance policies and standards.
- Ensure standardization and consistent execution of supply chain security policies, standards and audit protocols.
- Review and provide timely feedback and approval for all global supply chain security audits for manufacturing facilities, transportation carriers and distribution centers comprising approximately 125 audits annually.
- Provide guidance and oversight for internal compliance audit team and contract auditors.
- Responsible for all activity reporting related to supply chain security program compliance.
- Conduct a supply chain security risk assessment for all supply chains annually.
- Conduct an internal SCS program assessment annually.
- Liaison with U.S. Customs Supply Chain Security Specialist
- Maintain C-TPAT portal and update Hasbro's C-TPAT Security Profile annually.
- Prepare for and attend C-TPAT revalidations.
- Conduct investigations of supply chain security breaches and anomalies
- Conduct audits as needed.
- Prepare global auditor and supplier training material and conduct training and on-site training audits as needed.
- Other duties as assigned.

### **Qualifications**

- Bachelor's degree in criminal justice, business administration or related discipline (preferred).
- Minimum five years' experience in managing supply chain security and C-TPAT programs
- Strong knowledge of manufacturing, transportation and physical security auditing practices
- Excellent (oral and written) communication skills.
- Intermediate to advanced proficiency in Microsoft Excel, Word and PowerPoint.
- Must be willing to travel internationally.
