

Position: **Customs House Brokerage Classification Specialist- Atlanta, GA**

Location: Atlanta, GA

At Damco, we believe that our best assets are the talents of our employees. You could make all the difference to our clients as a Customs House Brokerage Classification Specialist in our Atlanta office as you follow Damco's values of constant care, humbleness, uprightness, our name, and our people.

As the Customs House Brokerage Classification Specialist, you will research and assign customs Harmonized Tariff Schedule (HTS) classifications to imported products on behalf of the importer. You will also maintain client databases in addition to Damco Customs Services Inc. databases and act as the customer service compliance expert for the customer.

#### We Offer:

- A dynamic, fast paced work environment that encourages entrepreneurial spirit and "can do" attitude. Here, if you perform, sky is the limit!
- We pride ourselves in having energized people, the best in the industry! At Damco, you will be a part of an organization where you are empowered to embrace different challenges to support your career aspirations. We support your development through development programs, mentorship and training.
- Our global network provides you visibility and access to professionals all around the world where you can learn all that we have to offer and explore your skills.
- Excellent Compensation Packages including:
  - A competitive salary
  - A comprehensive Medical, Dental and Vision Coverage
  - A 401k Retirement Plan
  - Paid time off
  - And More

#### Key Responsibilities (Including but not limited to):

- Maintains client product libraries
- Develops methods to ensure quality control in product classification and timely file processing.
- Works closely with Program Managers to give a broad, responsive service to the clients.
- Researches duty rates on goods to be imported, by using the HTS and Ruling Library.
- Researches special issues on behalf of clients.
- Provides back-up support for other team members.
- Ensure compliance with applicable federal, state and local laws and regulations; adherence to company procedures and policies.

#### Education & Technical Certification

- High school degree, BA in related field preferred

#### Experience

- High School Degree or equivalent required
