Manager - Experienced (5+ years exp)

*** Job Description**

Maxim Integrated is a highly successful, \$2.4 billion company. With offices and manufacturing sites around the world, we design award-winning semiconductors that make the world more integrated. We also know that it's our people who make us a great company. So we reward bold thinking, teamwork, personal growth, and community involvement. Want to make a difference and be challenged every day? Join us at Maxim Integrated. With analog integration, the possibilities are endless.

This is your opportunity to join a rapidly growing semiconductor industry leader. Maxim Integrated Products is seeking an innovative & energetic leader to manage our global export programs and provide leadership to the global trade organization.

*** Minimum Qualifications**

The candidate should have the following qualifications:

- At least 5 years of experience in international trade compliance, including strong experience with EAR exports, import/export classifications, customs regulations, and other government agencies

related to trade. ITAR experience preferred.

- Minimum of a bachelor's degree from an accredited university or college
- Experience with SAP/GTS
- Strong and pragmatic management skills
- Good communication skills

Maxim is an equal opportunity employer and gives consideration for employment to qualified applicants without regard to race, color, religion, sex, national origin, disability or protected veteran status.

Preferred Qualifications

- Prior semiconductor experience strongly preferred
- Customs broker's license preferred
- Strong project management and problem solving skills preferred.
- Some ITAR experience is preferred
