

Welcome to ICPA

A Network of People, a World of Knowledge

You have joined an association of compliance professionals that share a common goal – to manage international trade compliance faster and smarter, with enthusiasm and confidence.

ICPA is growing! ICPA was founded in 2001 by Ann Lister and Lynda Westerfield to serve the needs of international trade compliance professionals. The group began as an informal email list of individuals and has grown into an organization of over 2200 members.

Your benefits of membership include:

- An email network of information and problem-solving
- Networking & benchmarking opportunities
- Career opportunities and development
- ICPA member's only website (www.icpainc.org)
- Annual conferences & training seminars in USA, Europe and Asia
- Scholarship program
- Trade counsel insight

** Make sure to download the [ICPA Survival Guide](#) to learn more about the benefits of your membership! Either download it through the provided link or in the members-only section of the website, accessible from the User Menu when logged in.*

ICPA is one of a kind. ICPA is the first association dedicated to the advancement and education of the compliance professional. Members share information regularly through the question/answer program, come together at the annual conference in the first quarter of the year, and attend a number of the seminars throughout the year that are offered FREE or at a reduced cost to members! We also have an ICPA App that you can download for Android devices from Google Play!

ICPA members are connected. Visit the members-only section of the ICPA web site for access to the membership directory. And check out the library as well!

Questions? If you have any questions about your membership, have not yet started receiving membership emails or have general questions about the association, send an email to wizard@icpainc.org.

Get involved! ICPA is a member run organization, so your participation is welcome and encouraged.

And once again, Welcome!

ICPA
