

FLIR North American Customs Analyst

Be visionary:

At FLIR, we have a simple but ambitious mission: to develop market-leading thermal and sensing technologies which enhance everyday life. From saving energy, to saving lives FLIR is making a real difference in our world.

Our products are used in a wide array of situations to rescue people in danger, detect criminals, conserve energy, navigate safely, provide security around the globe, and protect our environment.

We are looking for individuals who thrive on making an impact and want the excitement of being on a team that wins.

Job Description:

As a member the FLIR Systems Legal Group and reporting directly to Director of Global Customs you will be part of a team providing tactical and strategic support to our expanding business while helping to maintain the highest level of service to our customers.

Our **NA Customs Analyst** will be responsible for a variety of Customs Compliance activities including:

Customs Broker Performance Reviews:

- Use available reports to evaluate Customs Broker performance
- Perform post-entry auditing and ensure accuracy
- Prepare a comprehensive metrics review of Key Performance Indicators
- Identify areas requiring improvement and develop solutions

Customs Project Management:

- Collaborate with the Director and review corporate processes for alignment with Customs Regulations; from review to documentation and training

Trade Compliance Auditing:

- Review shipment documentation for the consistent and correct usage of HTS Codes, valuation, Country of Origin and preferential trade programs
- Conduct post-entry audits and identify entry corrections as needed
- Identify shipments requiring post-entry amendments

Harmonized Tariff System (HTS) Classification:

- Review and apply US, Canadian and other regional HTS codes to the product catalog using the Customs Tariff, precedent Rulings and Explanatory Notes
- Manage, update and maintain existing HTS databases

Requirements:

- Two plus years' experience importing goods through Customs
- Understanding of Customs Valuation, Origin and Preferential Trade processes
- A history of successful Project Management accomplishments
- Working knowledge of CBP ACE system and SAP GTS
- Hands on proficiency with Microsoft Office applications (Excel, Word, Power Point, Outlook)
- Exceptional oral and written communication skills
- Strong work ethic with a high level of personal integrity
- Bachelor's degree in a business discipline
- Experience in the Brokerage industry as well as in corporate roles desired
- Licensed Customs Broker / Certified Customs Specialist a plus
- Travel < 10 %

FLIR and all of our employees are committed to conducting business with the highest ethical standards. We require all employees to comply with all applicable laws, regulations, rules and regulatory orders. Our reputation for honesty, integrity and high ethics is as important to us as our reputation for making innovative sensing solutions.

FLIR is an equal opportunity employer.
