

Foreign Trade Compliance Auditor-LOG003140

In this role, you'll use your compliance expertise to align Kellogg Company with the US Government Foreign Trade regulations and related processes for Kellogg North America. Support Kellogg's global related parties (foreign Kellogg locations) and all product channels. Bring your audit skills to the breadth of goods exported and imported by the Kellogg Company. While you're at it, you'll build your network and expertise in a thriving environment of professional development and teamwork. And together we'll shape a stronger future for our company and your career.

HERE'S A TASTE OF WHAT YOU'LL BE DOING

- **Trade Compliance Auditing** - Use your regulatory knowledge to audit filings with the U.S. Government for completeness and accuracy. Within the Foreign Trade Compliance Team, you'll audit and maintain all foreign trade documentation to ensure compliance with U.S. Government recordkeeping requirements.
- **Key Performance Indicators** - Partner with third parties such as our Freight Forwarder, U.S. Customs Broker and others to maintain our KPIs and provide reporting to management & other stakeholders.
- **Continuous Improvement** - Design & undertake tasks or projects aimed at helping Kellogg improve our compliance.
- **Customs Partnership** - Gain exposure to partnerships with U.S. Customs through Kellogg's Customs-Trade Partnership Against Terrorism and Importer Self-Assessment programs.

YOUR RECIPE FOR SUCCESS

Required:

- High School Diploma/GED
- Analytical experience
- Professional and influential interaction with customers and third party service providers
- Strong attention to detail & communication skills
- Ability to manage multiple priorities and meet government deadlines
- Ability to manage and manipulate data in Microsoft Excel

Bonus Points:

- Bachelor's degree in a Logistics, International Business or Accounting discipline

- U.S. Customs Broker License or other industry accreditation
- Experience using Alteryx, Tableau, Visual Studios or other analytics software
- Knowledge of both U.S. import and export regulations
- Experience in both U.S. import and export operations or compliance
