Government Offices to Exhibit at Event

Join WITOC for its annual State of International Trade & Customs Symposium for importers, exporters, customs brokers, and other trade stakeholders. Come hear from government senior management officials representing USCBP, USCPSC, DHS/HSI, USDA, FDA and USFWS give us a recap of 2018 top headlines on trade facilitation and enforcement with a look ahead to regulatory trends and initiatives that will shape the ever-evolving trade landscape of global commerce in 2019. Industry experts will share their insights into hot topics setting the stage for another year of trade transformation in a world of bridging relations with government agencies and trade stakeholders. With a wide range of speakers from relevant backgrounds, you will not want to miss this opportunity to interact and connect with noteworthy government and industry executives.
