HTS 2-Day Classification Training

May
23-24

Learn our 8-Step Process

After this training, all students will have the skill and confidence to...

- Use a legally sound and proven method to classify in the HTS with confidence and accuracy
- Correctly classify parts, complete articles, composite goods, and sets
- Quickly navigate the unique language and layout of the HTS
- Use section and chapter notes to achieve the most accurate HTS classifications
- Understand and apply the 13 most valuable resources to support your HTS classifications.
- Document and defend each classification using our Masters Method Defender Tool
