

THE BUREAU OF INDUSTRY & SECURITY

"COMPLYING WITH U.S. EXPORT CONTROLS"

APRIL 30-MAY 1, 2019 NEWPORT BEACH/IRVINE, CA

This two-day program is led by BIS's professional counseling staff and provides an in-depth examination of the Export Administration Regulations (EAR). The program will cover the information exporters need to know to comply with U.S. export control requirements. Presenters will conduct a number of "hands-on" exercises that will prepare you to apply the regulations to your own company's export activities.

The workshop will explain:

- The scope of the Export Administration Regulations.
- When you may export without applying for a license.
- How to determine export licensing requirements for your item
- What an Export Management Compliance Program ("EMCP") is, and how it can help meet your regulatory responsibilities.
