VINEYARDS & WINERY

8th Annual Summer Mixer Wine Tasting & Tour

Join WITOC for an incredible evening under the stars for wine tasting and a private tour at the Newport Beach Vineyards & Winery, which is not open to the public. This amazing experience includes a tour of the winery vineyards, beautiful koi ponds and tropical gardens together with tasting their award-winning wines being paired with Artesian cheese and Mediterranean charcuterie board in the only underground wine cave in Newport Beach.

Your tasting journey will entail a sampling of several exquisite vintages of Red, White and Rose Wines produced from the vineyard. Champagne and a variety of fine beers and soft drinks will also be available. Vineyard wines are available to take home for purchase.

To round off a perfect evening, you will enjoy listening to live music from Dean Grech, premier jazz guitarist, vocalist and musician.
