Job Description / Responsibilities / Requirements

Komatsu is an indispensable partner to the construction, mining, forestry, forklift, and industrial machinery markets, maximizing value for customers through innovative solutions. With a diverse line of products supported by our advanced IoT technologies, regional distribution channels, and a global service network, we tap into the power of data and technology to enhance safety and productivity while optimizing performance. Komatsu supports a myriad of markets, including housing, infrastructure, water, pipeline, minerals, automobile, aerospace, electronics and medical, through its many brands and subsidiaries, including Joy, P&H, Montabert, Modular Mining Systems, Hensley Industries, NTC, and Gigaphoton.

Job Overview

The International Trade Compliance Analyst is a critical Role within Komatsu Mining to assist in reducing risk/fines and optimization of cost reductions related to incoming and outgoing parts/goods.

Key Job Responsibilities

- Advise and oversee process for tariff number (HTS) and export control classification (ECCN) assignment. Facilitate with Engineering and Supply Chain along with external vendors to obtain technical expertise regarding parts and components classifications. Determine technology controls and licensing.
- Interpret, analyze, and summarize Import/Export compliance requirements and Free Trade Agreements applicable to all Komatsu entities. Qualify goods under applicable FTAs to affect the elimination and/or reduction in import duties on transactions. Issue proper certifications where goods are FTA qualified.
- Analyze qualifications for duty free treatment under various free trade agreements (FTA) between the U.S. and other countries, assisting foreign subsidiaries in developing FTA process and managing expiring FTAs.
- Interpret Bill of Materials (BOM) from SAP. Analyze manufactured bills of material for FTA eligibility.
- Work with Supply Chain regarding Country of Origin for purchased parts and HTS classifications for BOMs.
- Analyze all information, determining whether myriad of parts qualify under applicable FTA rules
- Manage Export Compliance records and global databases for active parts, origins and full HTS code information
- Conduct research of import and export requirements, HTS code changes, rules affecting compliance
- Identify parts requiring Commerce Control List review, liaise with Engineering, Sales, and suppliers, establishing export license determinations
- Counsel and guide Supply Chain to obtain country of origin data, annual vendor NAFTA, BOMs and classification descriptions. Work with vendors and subsidiaries to drive all aspects of compliance documentation and workflow.
- Develop, document, and maintain appropriate processes and record-keeping of import and export requirements, assisting Komatsu businesses and subsidiaries in implementation of consistent processes

Qualifications/Requirements

- Bachelor's degree is a **preference**. International Business, Global Logistics, or Supply Chain Management disciplines are a plus. Master's degree and/or a Customs House Broker License is also a plus.
- 5+ years experience with International Trade Transactions. Familiarity with Code of Federal Regulations, Harmonized Tariff Schedules, Commerce Control List, Trade Agreements, Payment Mechanisms, Documentation.
- Previous experience with Free Trade Agreements Qualification Analyses.
- Proficiency with Harmonized Tariff Product Classification and Export Control Classification.
- Understanding of Export and Import Processes, Controls, and Documentation.
- Proficient in MS Office; ERP/GTS/SAP experience is a plus.
- Self-starter, taking initiative, demonstrating critical thinking, using effective written and verbal communication skills.
- Strong team player with good interpersonal skills in fast-paced environment.
- Accurate, organized, and confident with multi-tasking, along with handling numerous, varied projects simultaneously.

Additional Information

Komatsu is an Equal Opportunity Workplace and an Affirmative Action Employer. All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, disability, or protected veteran
