

2023 Global Partners Program Outline

Helping ICPA Create Networking and Educational Opportunities Around the Globe

We are excited to share our Global Partner Service Provider membership with you!

*The phrase “agreed year” in the below refers to January 1st through December 31st of each paid year

The benefits you will receive as an ICPA Global Sponsor are as follows:

- Cost of a Global Partner Membership is \$3,000
- ICPA active memberships moves from 5 to 7
- Priority billing on the [member benefits/discount page](#) on ICPA website
- 20% discount on exhibit sponsorship, 10% discount on all other sponsorships at conferences that take place in the agreed year
- Priority booth location selection across events – GPs will choose their booth space prior to all other members or the public. Your selection will be granted on a first come first serve basis. If you register after we have opened booth space selection to all other members and the public OR you have not responded with your selection by the deadline provided by ICPA, your space will be assigned based on availability.
- Logo on the ticker tape located at the top of the home page of the ICPA website linked to your website.
- Global Partner sign at all events for the agreed year* – this reflects the events that are held in the agreed year, not necessarily the registration site for that year.
- Special consideration for speaking opportunities.
- Special consideration for partnership opportunities – any new sponsorship opportunities we offer will be delivered to GPs for first right of refusal before being opened to other members or the public.

Registration begins January 1 of each year through the ICPA website, with renewals given top priority.

We look forward to partnering with you as we continue making ICPA a network of people and a world of knowledge!
