

We are seeking a **Trade Compliance Manager** to oversee export/import compliance for its North American operations. This role ensures adherence to ITAR, EAR, BIS, OFAC, and other relevant regulations while managing trade compliance programs and acting as the primary point of contact for customers.

**Key Responsibilities:**

- Lead the implementation of the export control program.
- Act as the Empowered Official for two facilities.
- Review and manage export/import licenses and agreements.
- Conduct internal and external compliance assessments.
- Develop and deliver trade compliance training programs.
- Oversee compliance with regulatory requirements and maintain trade records.
- Partner with legal and resolve compliance issues.
- Review export/import clauses in contracts and Statements of Work.

**Qualifications:**

- U.S. Person due to ITAR regulations.
- Bachelor's Degree with 5+ years of experience
- Expert knowledge of ITAR, BIS, OFAC, ATF, and export control laws.
- Strong communication, problem-solving, and presentation skills.
- Experience in aerospace/defense compliance, commodity jurisdiction, and classification.

**Preferred:**

- Sales/marketing experience in aerospace/defense.
- Ability to interact with senior management and government officials.
- Advanced customer service experience in a manufacturing environment.
