Job Title	International Trade Compliance Manager
Location	Westerville, OH
Salary Range	DOE
Relocation Assistance	No

### **Job Description / Responsibilities / Requirements**

#### **Job Description**

##### **Company Background**

Sensience is a leading global manufacturer of highly engineered sensing, control, and sealing components.

We deliver mission-critical protection and valuable data for a wide range of systems, including appliances, heating, air conditioning, refrigeration units, industrial process equipment, motor vehicles, and aerospace. We have over 3,000 employees worldwide across 6 manufacturing facilities dedicated to keeping people and their homes safe.

Sensience brings a track record of innovation, quality, specialized expertise, a highly collaborative approach, and a commitment to growth – working together with our customers as valuable partners, helping to meet their critical objectives. We are looking for entrepreneurial minded candidates to help our company grow.

##### **Position Summary**

The International Trade Compliance Manager is responsible for ensuring the company's global trade activities comply with all relevant international trade laws regulations, and industry standards. This includes managing import/export operations, ensuring compliance to custom requirements, and mitigating risk related to tariffs, sanctions, and regulatory compliance. The ideal candidate will have a deep understanding of international trade laws, customs regulations, and global logistics, as well as the ability to collaborate with internal stakeholders across departments such as legal, supply chain, and finance.

### **Position Responsibilities**

- Develop, implement, and maintain global trade compliance policies and procedures to ensure compliance with U.S. international trade regulations
- Conduct regular audits and risk assessments of the company's global trade practices, identifying areas for improvement and implementing corrective actions.
- Oversee the preparation and submission of export documentation, ensuring compliance with U.S. export laws and regulations, include Export Administration Regulations and International Traffic in Arms Regulations.
- Ensure the proper classifications of goods for tariff and export control purposes (e.g., HTS codes, ECCNs, ITAR classifications).
- Coordinate with customs brokers to ensure timely clearance of goods through customs and adherence to all local customs laws.
- Stay updated on global trade regulations, embargoes, sanctions, and government policies affecting the company's trade operations.
- Provide training and guidance to internal teams.
- Monitor and manage trade tariffs and duties to ensure the company's cost-efficiency in international transactions.

### **Position Requirements**

- Bachelor's degree in International Business, Supply Chain Management, or a related field.
- 5+ years of experience in global trade compliance, with a focus on import/export operations, customs regulations, and export controls.
- Strong analytical and problem-solving skills.
- Advanced proficiency in trade compliance software (e.g. SAP GTS, Oracle GTM, Amber Road, or similar tools).
- Excellent communication and presentation skills.

Sensience is an Equal Opportunity Employer (EOE): race, ethnicity, religion, sex, gender or gender identity, sexual orientation, age, disability, national origin, or any status protected by applicable law.

This is not a position for which sponsorship will be provided. Individuals who need sponsorship for work authorization now or in the future are not eligible for hire.
