About The International Trade Institute

The International Trade Institute is a centre of education in international trade, created to meet the growing global need for practical, high-quality learning in how to conduct trade effectively, compliantly, and competitively.

We focus on real-world challenges; covering everything from regulatory compliance and trade negotiations to global market access and export strategy. Our programmes draw on the world's best expertise, online learning tools, and industry insights to equip professionals with the knowledge and confidence to succeed in international trade.

As a leading source of applied education in this field, the Institute is committed to helping individuals and organisations unlock trade opportunities through specialist, practice-driven training.

What You Will Learn

01

Customs for Business

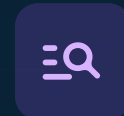

Gain a broad understanding of Customs and its strategic impact on business and global supply chains.

02

Risk & Compliance

Build practical skills to manage risk. Includes detailed coverage of Incoterms® and international contracts.

03

Classification & Tariffs

Master goods classification: application, validation, GIR, BTI, and using online tools like TARIC.

04

Valuation

Determine Customs value under international rules. Learn legal frameworks and calculation methods.

05

Rules of Origin

Determine economic nationality: preferential vs. non-preferential origin, legislation, BOI, and proofs.

06

Supply Chain Operations

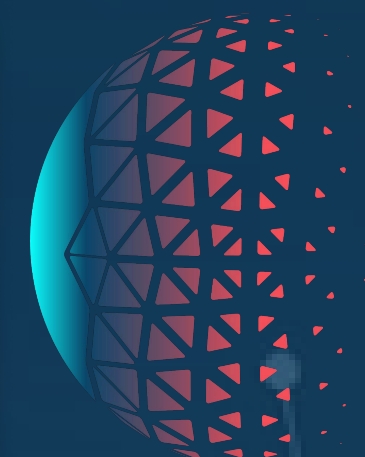

Deep dive into import, export, and transit flows. Focus on building efficient, secure supply chains and seamless Customs integration.

07

Prohibitions & Restrictions

Determine Customs value under international rules. Learn legal frameworks and calculation methods.

What Our Participants Say

"I've experienced a transformation in my confidence. I've gained the knowledge and skills to navigate complex product categorization and have all the necessary materials and links to legislation readily available."

Eva Filipova

Trade Compliance Specialist, Aptar

"The interactive sessions and case studies were the highlight. The diploma provides the tools and knowledge to efficiently manage a trade compliance programme."

Beatrice Brown

Trade Compliance Manager, ICL Group

"I could not recommend this course enough."

Martin Flynn

Logistics Specialist (MaggrowTec)

"The sessions were enjoyable especially with the mix of tutors. I would highly recommend this course."

Susan Nicholson

Irish Dog Foods

"I found the Diploma in International Trade Compliance very beneficial, the course content was informative. The structure was interactive, with a hands on approach between lectures and students. I am working in international trade over 25 years and I am very aware of the continuous changes in compliance and Customs procedures. Completing this course has increased my knowledge and will be a benefit for my Employer."

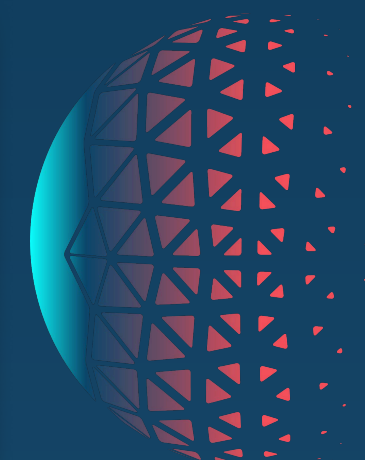

Tony Casey

Logistics, Kingspan

"I found the course to be very informative and conducted in a way that was easy to follow. I enjoyed the interaction which was encouraged throughout and was impressed by the level of knowledge displayed by the speakers. I feel like I am now much better equipped going forward in my role as a Materials Specialist in the Aviation Sector. I would have no hesitation recommending this course to my fellow industry professionals."

Alan Monaghan

Senior Materials Specialist (Dublin Aerospace)
