Moog is a performance culture that empowers people to achieve great things. Our people enjoy solving interesting technical challenges in a culture where everyone trusts each other to do the right thing. For you, working with us can mean deeper job satisfaction, better rewards, and a great quality of life inside and outside of work.

Job Title:

Senior Trade Compliance Import Specialist

Reporting To:

Supervisor, Trade Compliance

Work Schedule:

Senior Trade Compliance Import Specialist

defense portfolio is aligned with U.S. military priorities and our mission of "equipping those who defend freedom." At Moog we have a culture of trust and mutual respect; and for you, working with us can mean deeper job satisfaction, better rewards, and a great quality of life inside and outside of work.

Moog's Corporate Group is looking for a Senior Trade Compliance Import Specialist to join them!

You will have a remote work schedule near the Blacksburg, VA or East Aurora, NY facility. (This is a Regional Remote position for the Blacksburg, VA team and will report to the Regional Trade Compliance Supervisor.

To be considered for the Senior Trade Compliance Import Specialist role, you should have:

- Bachelor's Degree, with preference toward International Business, Supply Chain, or related studies.
- 5 years of related experience in trade compliance or similar role

Highly desired:

- Trade Certifications (e.g. Licensed Customs Broker, Certified Customs Specialist, etc.)
- Ability to analyze complex situations, research applicable requirements, and propose compliant solutions.
- Hands-on experience with Harmonized Tariff Schedule classification, valuation, Customs regulations, and Free Trade Agreement programs
- Experience with ERP systems (e.g. SAP/GTS)
- Experience in import operations for a manufacturing environment
- Ability to read and interpret engineering drawings
- Experience with Customs and Border Protection Automated Commercial Environment portal and reporting
- Experience with the import requirements of Partner Government Agencies (e.g. FDA, ITAR, EAR, EPA, etc.).

As the Senior Trade Compliance Import Specialist, you will:

- Support the Operation's activities in international trade and function as a subject matter expert in import regulations
- Provide expertise to ensure Moog's compliance with import laws and regulations
- Maintain the culture of compliance and support the administration of the Company Compliance Program within the Group
- Develop processes and work procedures to ensure compliant actions and mitigate risks.
- Perform accurate HTSUS classifications

Senior Trade Compliance Import Specialist

-
- Communicate across departments and coordinate with customs brokers on import entry activities
 - Maintain required documents for record keeping
 - Stay current on CBP regulatory changes, tariff updates, and evolving compliance expectations
 - Support domestic and international business travel, including regular travel to Moog's Blacksburg, VA location.

How we care for you:

- Financial Rewards: great compensation package, annual profit sharing, matching 401k and the ability to participate in Employee Stock Purchase Plan, Flexible Spending and Health Savings Accounts
- Work/Life Balance: Flexible paid time off, holidays and parental leave program
- Health & Welfare: Comprehensive insurance coverage including medical, dental, vision, life, disability, Employee Assistance Plan ("EAP") and other supplemental benefit coverages
- Professional Skills Development: Tuition Assistance, mentorship and coaching opportunities, leadership development and other personal growth programs
- Collaborative and Welcoming Workplace: Inclusive culture rooted in our values, enhanced by Employee Resource Groups, and team-building activities.
- Onsite Pharmacy, Gym, and Clinic available to employees
- Our Blacksburg Operations work schedule consists of 9-hour shifts Monday through Thursday, and a 4-hour shift on Fridays.
